Therefore, this proposed expert should be precluded from testifying under Federal Rule of Evidence 702, both as to</p>

	Pfizer and the Individual Defendants.

Christian Porto (No. 38)	<p>This witness was not included on Plaintiffs' Rule 26(a)(1) initial disclosures or supplements thereto. Defendants did not have notice that Plaintiffs may seek to use this witness at trial and, therefore, did not depose him. Because Plaintiffs did not properly identify or disclose this witness as a potential witness during discovery, he should not be permitted to testify at trial. <i>See Fed. R. Civ. P. 37(c)(1).</i></p> <p>Additionally, this witness has no factual knowledge relevant to any claims or defenses at issue in this case. Therefore, this witness should be precluded from testifying under Federal Rules of Evidence 401 and 402. Therefore, this proposed expert should be precluded from testifying under Federal Rule of Evidence 702, both as to Pfizer and the Individual Defendants.</p>
Meredith B. Rosenthal (proposed expert) (No. 41)	<p>This proposed expert offers no opinions that will help the trier of fact to understand relevant evidence or determine a fact in issue in this case. Accordingly, this proposed expert should</p>

	be precluded from testifying under Federal Rules of Evidence 401, 402, and 702, both as to Pfizer and the Individual Defendants.

The parties agreed at the time of the deposition that no portion of this witness's testimony would be used at trial unless and until the deposition was completed. The deposition has not been completed, and thus the use of any portion of this witness's incomplete testimony at trial is improper.</p> <p>Additionally, this witness has no factual knowledge relevant to any claims or defenses at issue in this case. Therefore, this witness should be precluded from testifying under Federal Rules of Evidence 401 and 402. ³ Defendants object to the use of any portion of Mr. Kopchinski's partial deposition at trial on the ground that the deposition was terminated by agreement of both Plaintiffs and Defendants before Defendants were given the opportunity to question Mr. Kopchinski. The parties agreed at the time of the deposition that no portion of Mr. Kopchinski's testimony would be used at trial unless and until the deposition was completed. The deposition has not been completed, and thus the use of any portion of Mr. Kopchinski's incomplete testimony at trial is improper.
